Capt. Santord, June 29, lat. 36, 20,  
long. 74, 30, spoke brig Orlando, Cottle,  
12 hours from Norfolk, for Barbadoes.—  
July 6, lat. 37, 50, long. 73, 3, ship Pa  
triot, Stewart, of Portsmouth, 3 days  
from New York, for St. Domingo. Five  
weeks past, off Cuba, capt. S. fell in with  
the wreck of snow "Dispatch, of London,"  
full of water, loaded with mahogany,  
striped and deserted. In the Gulf  
Stream, lat. 28, long. 79, 30, found an  
open boat, with a negro man in it, who  
said that he had been out about 3 weeks  
from New Providence; that having been  
sent with the boat a short distance on  
some business, he was driven out to sea  
by a sudden squall, and that he had nothing  
to subsist on during this time, but a  
few conques which he had procured from  
some of the uninhabited keys; he was  
nearly famished when he was taken up.

Shio Diana, Waterman, of this port,  
was off Cape Good Hope 12th May last,  
in lat. 36, S. long. 20 E. Capt. Wa  
terman, in a letter to his owners, gives the  
following information of American whale  
men, left to the eastward of the Cape,  
viz. 29th March, Sarah, Tobey, 700

Swan, Knapp, Boston;

Cleared, ships Chatham, Chew, Li  
verpool; Fortitude, Pinkham, Cork; St.  
Cuthbert, Brown, Calcutta; schooner  
Linnet, Woodward, Halifax.  
Letters received yesterday per schr.  
Nancy, inform, that the merchants at  
Havanna having remonstrated to the Spa  
nish Court on the conduct of the Intend  
ant, as being injurious to the interests of  
commerce, an order had been issued for  
his recall, with instructions to remain in  
office until the arrival of his successor.  
Irritated at this mark of disgrace, the in  
tendant seized upon most of the American  
vessels in port, (many of which vessels  
were under Spanish colours) condemned  
them and their cargoes, and threw several  
of the captains into prison. He was  
expected to take his departure for Spain  
in about two weeks. Eight or ten Eng  
lish Guineamen were at Havanna, pre  
paring to clear out with all possible dis  
patch, though it was not officially known  
there that hostilities were renewed in Eu  
rope. It was very sickly at the Havanna.

PHILADELPHIA, July 22.

A letter from Trinidad of June 17th,  
informs that His Excellency, Col. Ful  
lerton, had at length been invested with  
the command of the civil and military ad  
ministration of that important Island. The  
tyranny and oppression which had marked  
the conduct of his predecessor in office  
(General Pickton) rendered the measure  
of the highest interest, to the peace and  
prosperity of the inhabitants; their gra  
titude and joy on the occasion, was accor  
dingly shown by every demonstration of  
respect in their power to bestow. The  
Official Proclamation, announcing this  
change is dated at Trinidad, June 16,  
1803.

The Olive Branch, from St. Croix, ar  
rived at New York, was overhauled and  
detained four hours, by an English crui

zer, from Tortola. The masters of ves  
sels should be very accurate in the ac  
counts they give of the treatment they  
receive from the cruizers of the belligerent  
nations. In times of war a belligerent  
power has a right to board and examine  
neutral vessels. This right the neutral  
ought not to resist; but every arbitrary  
proceeding which may occur, when this  
right is exercised, ought to be correctly  
noted, and transmitted to the Secretary of  
State; that the government may remedy  
or avenge the wrong.

### Latest from Europe.

PHILADELPHIA, July 22.

Our papers by the Commerce, arrived  
yesterday, consist of a regular file of the  
London Sun, from the 12th of May down  
to the first of June. Their contents are  
not very important. The naval list con  
stitutes the most prominent article in the  
latest papers. By these it appears, that  
England has commenced the war with  
great spirit and equal success. Prizes,  
many of them immensely valuable, are  
daily pouring into the British ports. The  
zeal and activity of the naval comman  
ders, in every direction are a certain pre  
sage of future brilliant operations.

In the Sun of the 28th of May, we find  
a voluminous report of a debate which oc  
curred in the House of Commons the day  
preceding, relative to the proffered media  
tion of Russia.—In this debate Messrs.  
Pitt and Fox took conspicuous parts. It  
appears, that the idea of such a media  
tion is not entirely hopeless. Some mem  
bers speak sanguinely of its success. We  
shall hereafter give the whole of this de  
bate a place in our Gazette.

Some additional papers relative to the  
late negotiation have been laid before par  
liament. Among these the following is  
the only document which we find interest  
ing to the American reader:

COPY OF A LETTER

From Mr. R. King to Lord Hawkesbury.  
London, May 15, 1803.

MY LORD,

In the present critical posture of affairs,  
I loafe no time in communicating to you  
Lordship, for his Majesty's information,  
that a treaty was signed at Paris on the  
thirtieth day of April past by the Plen  
ipotentiaries of America and France: by  
which the complete sovereignty of the town  
& territory of New Orleans, as well as all  
Louisiana, as the same was heretofore  
possessed by Spain, has been acquired by  
the United States of America. In draw  
ing up this treaty care has been taken so  
to frame the same as not to infringe any  
right of Great Britain in the navigation  
of the river Mississippi.

I flatter myself that this communication  
will be received with satisfaction, and re  
garded as a new proof of the disposition  
of the United States, to observe towards  
his majesty a spirit of amity and confi  
dence, important at all times, and more  
especially so in present circumstances, to  
the harmony and mutual prosperity of the  
two countries.

I avail myself of this occasion, to re  
new to your lordship the assurance of dis  
tinguished consideration, with which I  
have the honour to be, &c.

RUFUS KING.

Rt. Hon. Lord Hawkesbury  
[Here follows a note from Lord Hawkes  
bury, acknowledging the receipt of the  
above.]

There was no truth in the report of the  
capture of the Duke of Kent, on his way  
home from Gibraltar. He arrived in  
England on the 26th May, and appeared at  
court the 28th.

The decree of the First Consul seizing

on all British subjects within the limits of  
the Republic, and extending also to the  
territory of petty powers under his sub  
jection, is justly viewed as an outrage on  
the rules and laws of civilized nations.  
It is asserted in some of the prints, that  
this decree is accompanied with circum  
stances of the most rigorous imprisonment  
and insult. This however appeared to be  
the only species of warfare carried on by  
Bonaparte.

Much speculation on the probable course  
of the War, and its duration, is given in  
the English newspapers. The possibility  
of a neutral mediation is fondly cherished  
by some; while others contend that the  
rupture now possesses so much virulence as  
to be beyond the influence of pacific in  
terference.

Arrived yesterday, the ship Commerce,  
Captain Dyer, in 48 days from Liverpool,  
bringing Liverpool papers to the 2d June,  
and those of London to the 30th May.

In a short conversation with an intelli  
gent gentleman, who came passenger in  
the Commerce, the subsequent points of  
political novelty were obtained.—At a  
late meeting of Parliament, Mr. Fox  
submitted to the House a motion, stating  
"that should the Emperor of Russia come  
forward as Mediator between Great Bri  
tain and France, it were hoped his Ma  
jesty's Ministers would neglect no oppor  
tunity to make a peace consistent with  
the honor and dignity of the nation." To  
this proposition Mr. Addington assured  
Mr. Fox, that his Majesty's Ministers  
were ready to embrace every prospect of  
accommodation which should comport  
with the dignity and honor of his Majesty,  
and the well-being and happiness of his  
subjects. Mr. Fox testified his approba  
tion of the conduct of the Cabinet Coun  
cil; applauded highly their candour and  
determination; and declaring their pro  
mises a sufficient responsibility, withdrew  
his motion.

The latest advices from Paris, stated,  
that Bonaparte had sequestered all Eng  
lish property, and had ordered all British  
subjects to Fontainebleau as prisoners of  
war. He averred that he took this mea  
sure in consequence of several reprisals  
made by the British even before the decla  
ration of war.

The British fleets were distributed after  
the following manner:—Admiral Corn  
wallis was off Brest; Lord Nelson had  
gone to the Mediterranean—his flag was  
hoisted on board the Victory.—Several  
captures were made by the British Cru  
isers—These consisted for the better part  
of Merchantmen; one frigate however  
was among the number and was seen go  
ing into Portsmouth.

Consols were between 50 and 60.—  
American produce generally was on the  
rise.

**Dr. HAMILTON'S ELIXIR,**  
A sovereign remedy for Colds, Obsolete Coughs,  
Asthmas, Catarrhs, Sore Throats, and Ap-  
proaching Consumptions.  
To parents who may have children afflicted  
with the **HOOPING COUGH.**

This discovery is of the first magnitude, as it  
is an immediate relief, checks the progress, and  
in a short time entirely removes the most cruel  
disorder to which children are liable—the Elixir  
is so perfectly agreeable and the dose so small,  
that no difficulty arises in taking it.

From **LUTHER MARTIN, Esq. Attor-  
ney-General of the State of Maryland.**

Gentlemen,  
I comply with your request in stating my  
opinion of Hamilton's Elixir. It has been used  
in my family for two or three years past, with  
uniform success, whenever colds, coughs, or si-  
milar complaints have rendered medicine ne-  
cessary. I have myself found it an excellent and  
agreeable remedy for a very painful and trou-  
blesome affection of the breast, accompanied  
with soreness and with obstructed and difficult  
breathing.

On these accounts I do not hesitate to recom-  
mend Hamilton's Elixir, as a valuable medicine,  
and deserving public attention.

**LUTHER MARTIN.**  
Mr. Abijah Henly, Bridge-Street, Baltimore,  
was cured by one bottle of Hamilton's elixir of a  
very complicated disorder, occasioned by a fe-  
ver cold caught several months ago. He  
breathed with the greatest difficulty, and was  
often thrown into weakening sweats when he  
attempted to walk any distance, and his voice  
would frequently fail in such a degree that he  
could only attempt to whisper. He has been  
upwards of six weeks without a return of his  
complaints, and desires to give this public tes-  
timony in favour of this invaluable medicine.

**Dr. Hamilton's**  
**GRAND RESTORATIVE,**

Is recommended as an invaluable medicine, for  
the speedy relief and permanent cure of the vari-  
ous complaints which result from dissipated plea-  
sures—juvenile indiscretions—residence in cli-  
mates unfavourable to the constitution—the im-  
moderate use of tea, frequent intoxication, or any  
other destructive intemperance—the unskilful or  
excessive use of mercury—the diseases peculiar to  
females, at a certain period of life—bad lymgs  
in, &c. &c.

And is proved by long and extensive experience  
to be absolutely unparalleled in the cure of  
Nervous disorders, Violent cramps in the  
Stomach and back,  
Indigestion,  
Lowness of spirits, Melancholy,  
Loss of appetite, Gout in the stomach,  
Pains in the limbs,  
Impurity of the blood, Relaxations,  
Hysterical affections, Involuntary emissions,  
Inward weakness, Obsolete gleet,  
Semenal weakness, Impotency, &c. &c.  
Fluoribus, (or whites),  
Barrenness,

In cases of extremity, where the long preva-  
lence and obstinacy of disease has brought on a  
general impoverishment of the system, excessive  
debility of the whole frame, and a wasting of the  
flesh, which no nourishment or cordial could re-  
pair a perseverance in the use of this medicine  
has performed the most astonishing cures.

**HAMILTON'S ESSENCE and EX-  
TRACT of MUSTARD,**

A safe and effectual remedy for gout, rheuma-  
tism, palsy, sprains, bruises, pains in the face  
and neck, &c. And has performed more cures  
in the above complaints than all the other medi-  
cines ever before made public.

From **Dr. Weatherburn,**  
Wyth county, Virginia.

Gentlemen,  
I purchased at your shop the preparations you  
call Hamilton's Essence, or Extract of Mustard,  
which I believe has perfectly removed a chronic  
rheumatism (of that kind named sciatica, or of  
the hip joint) under which I had laboured for a  
long time, and which had baffled every article  
in the Materia Medica, and every mode of treat-  
ment received into practice for the cure of this  
obstinate disease. If you think this letter useful  
you are at liberty to make it public.  
Yours, &c.

**P. WEATHERBURN.**  
John Hoover, rope-maker, South Second  
Street, between Mary and Christian Streets,  
Philadelphia, voluntarily maketh oath as fol-  
lows, namely, that his wife, Mary Hoover, was  
so severely afflicted with a violent rheumatism,  
very dangerously situated, the consequence of a  
fevere cold after lying in, as to be confined to her  
bed for several weeks, and was at length re-  
duced to the melancholy apprehension of re-  
maining a cripple for life, notwithstanding the  
most respectable medical advice was followed,  
and every probable remedy attempted: when  
seeing several cases of cures performed by Ha-  
milton's Essence and Extract of Mustard, they  
were procured from Mr. Birch, No. 17, South  
second-Street. The first application enabled  
her to walk across the room, and the use of one  
bottle restored her to her usual state of health  
and strength

**HAMILTON'S**  
**WORM DESTROYING LOZENGES.**

Which have within four years past cured up-  
wards of one hundred and twenty thousand  
persons of both sexes, of every age, and in every  
situation, of various dangerous complaints aris-  
ing from worms, and from obstructions or foul-  
ness in the stomach and bowels.

This medicine bears no analogy whatever of  
similar title, so commonly complained of as op-  
erating with violence; on the contrary, a parti-  
cular excellence of this remedy is its being suit-  
ed to every age and constitution; contains no-  
thing but what is perfectly innocent, and is so  
mild in its operation that it cannot injure the  
most delicate pregnant lady, or the tenderest in-  
fant of a week old, should no worms exist in  
the body; but will, without pain or griping,  
cleanse the stomach and bowels of whatever is  
foul or offensive, and thereby prevent the pro-  
duction of worms and many fatal disorders.  
They are particularly efficacious in carrying off  
all gross humours and eruptions; feverish and  
bilious complaints, and are the safest and mild-  
est purgative that can be used on any occasion.  
**Description of Worms, and the symptoms**  
**by which they are known.**

Worms which infest the human body, are chief-  
ly of four kinds, viz. the Teres or large round  
worm, the Ascarides, or small maw worm, the  
Oncocerca, or short, flat, white worm, and  
lastly, the Tenia, or tape worm, so called from  
its resemblance to tape; this is often many yards  
long, and is full of joints—it is most hurtful, and  
most difficult to cure.

Among the symptoms attending worms, are  
disagreeable breath, especially in the morning—  
Bad and corrupted gums—Itching in the nose  
and about the seat—Convulsions and epileptic  
fits, and sometimes privation of speech—Starting  
and grinding of the teeth in sleep—Irrregular ap-  
petite, sometimes loathing food, and sometimes  
voracious—Purging, with slimy and fetid stools  
—Vomiting—Large and hard belly—Pains and  
sickness at the stomach—Pains in the head and  
thighs, with lowness of spirits—Slow fever, with  
small and irregular pulse—A dry cough—Exces-  
sive thirst—Sometimes pale and unhealthy coun-  
tenance, and sometimes the face bloated and  
flushed.

Persons afflicted with any of the above symp-  
toms, should have immediate recourse to HA-  
MILTON'S WORM DESTROYING LO-  
ZENGES, which have been constantly attend-  
ed with success in all complaints similar to those  
above described.

A dose of this medicine given occasionally  
during the warm season, will effectually pre-  
vent the vomiting and purging of children, a  
dreadful disorder which annually destroys thou-  
sands of the infant part of our cities. It is like-  
wise the mildest and most certain remedy known  
and has restored to health and strength a great  
number when in an advanced stage of this fatal  
complaint. Particular and plain instructions are  
given for every part of the necessary treatment  
in such cases.

Children generally take this medicine with  
eagerness; having a pleasing appearance, and  
an agreeable taste.
